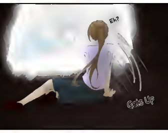
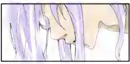
Hmm..?

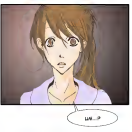


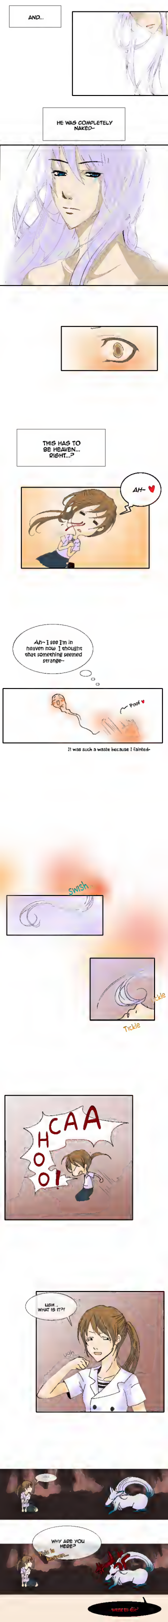
OMG-



WHEN I GOT UP THAT MORNING...

AN INCREDIBLY HANDSOME GUY WAS IN FRONT OF ME...





AND...
HE WAS COMPLETELY NAKED~
THIS HAS TO BE HEAVEN... RIGHT...?
AH~ ♥
Ah~ I see I'm in heaven now I thought that something seemed strange~
~ Poof ♥
It was such a waste because I fainted~

HCAAOO!
UGH... WHAT IS IT?!

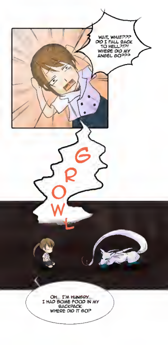
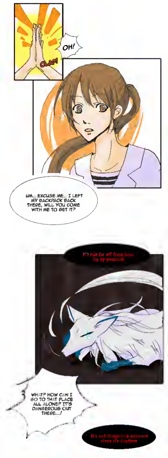
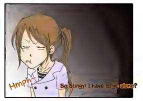
WHY ARE YOU HERE?
This is heaven...
...want to die?



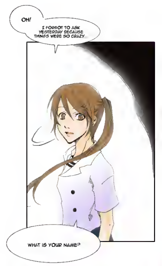
WAIT, WHAT??? DID I FALL BACK TO HELL?!?! WHERE DID MY ANGEL GO???
GROWL
OH... I'M HUNGRY... I HAD SOME FOOD IN MY BACKPACK WHERE DID IT GO?



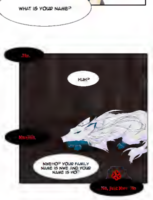
OH!
CLAP!
UM... EXCUSE ME... I LEFT MY BACKPACK BACK THERE, WILL YOU COME WITH ME TO GET IT?
It's not far off from here Go by yourself.
WHAT? HOW CAN I GO TO THAT PLACE ALL ALONE? IT'S DANGEROUS OUT THERE...!
It's not dangerous anymore since it's daytime



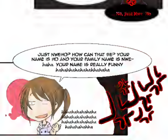
Hmph~
So Stingy! I have to go alone?



OH!
I FORGOT TO ASK YESTERDAY BECAUSE THINGS WERE SO CRAZY...
WHAT IS YOUR NAME?

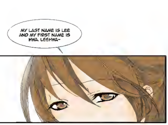


Ho.
HUH?
NweHo.
NWEHO? YOUR FAMILY NAME IS NWE AND YOUR NAME IS HO
...No, just Nwe Ho



JUST NWEHO? HOW CAN THAT BE? YOUR NAME IS HO AND YOUR FAMILY NAME IS NWE-haha. YOUR NAME IS REALLY FUNNY hahahhahahahhahaha
hahahahahahaha hahahahahahaha hahahahahahaha hahahahahha

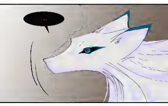
(T/N: NWE MEANS BRAIN. HO HAS A MEANING OF "FAMILY/HOUSE HOLD" I'M NOT SURE WHAT'S SO FUNNY ABOUT IT)

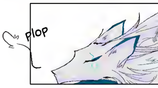


MY LAST NAME IS LEE AND MY FIRST NAME IS HWA. LEEHWA~

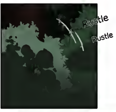
T/N: In the Korean language, you sometimes ad Ya to the end of names. It adds a friendliness to it. It's a little different than Chan/Kun in the Japanese language.

THEN I'LL BE RIGHT BACK, OKAY HOYA~?

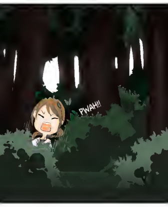


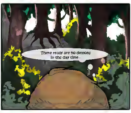


Plop
HoYa...? Hah-!

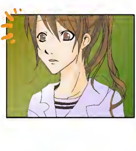


Rustle
Rustle

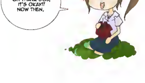




There really are no demons in the day time...
Anyway, where is my backpack?



Sitting Peacefully



OH THANK GOD, IT'S OKAY!! NOW THEN,

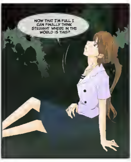
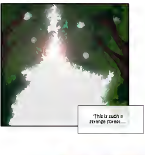
AH~
I'M SO FULL~



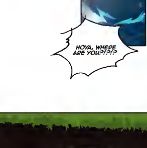
NOW THAT I'M FULL I CAN FINALLY THINK STRAIGHT WHERE IN THE WORLD IS THIS?

I could feel pain and hunger. This isn't hell, heaven, or even a dream It's 'reality'

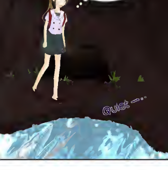


This is such a strange forest....

He is such a strange fox....
ACHOO!



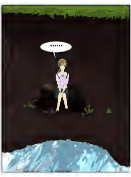
HO~YA~
Swooo
HOYA, WHERE ARE YOU?!?!?



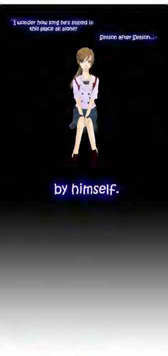
Where is Hoya?
Quiet ~..

plop

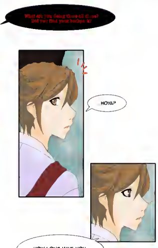
....



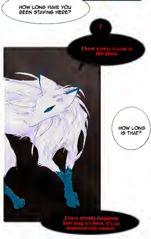
......



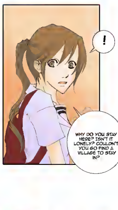
I wonder how long he's stayed in this place all alone?
Season after Season...
by himself.



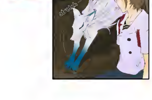
What are you doing there all alone? Did you find your backpack?
HOYA?



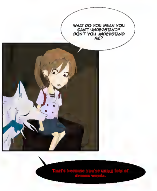
HOW LONG HAVE YOU BEEN STAYING HERE?
?
I have always stayed in this place.
HOW LONG IS THAT?
I have already forgotten how long it's been. It's an immeasurable amount



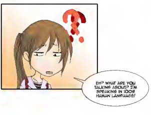
!
WHY DO YOU STAY HERE? ISN'T IT LONELY? COULDN'T YOU GO FIND A VILLAGE TO STAY IN?



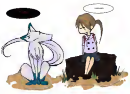
Not only am I a demon but I can't understand the human language. It's better to be alone than around humans.
stretch

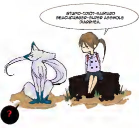


WHAT DO YOU MEAN YOU CAN'T UNDERSTAND? DON'T YOU UNDERSTAND ME?
That's because you're using lots of demon words.

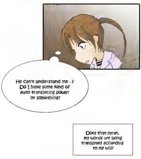


EH? WHAT ARE YOU TALKING ABOUT? I'M SPEAKING IN 100% HUMAN LANGUAGE!

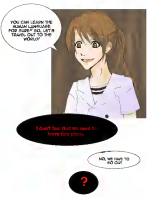




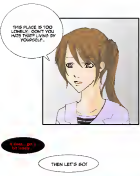
STUPID-IDIOT-BASTARD SEACUCUMBER-SUPER ASSHOLE DIARRHEA.
?



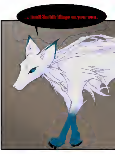
He can't understand me ..? Do I have some kind of auto translating power or something?
Does that mean, my words are being translated according to my will?



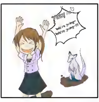
YOU CAN LEARN THE HUMAN LANGUAGE FOR SURE!! SO, LET'S TRAVEL OUT TO THE WORLD!
I don't feel that we need to leave this place.
NO, WE HAVE TO GO OUT
?



THIS PLACE IS TOO LONELY.. DON'T YOU HATE THAT? LIVING BY YOURSELF..
It does... get a bit lonely..
THEN LET'S GO!



... Don't decide things on your own.



Yaay ~♡
We're going~ We're going~!!!
